Your Medicare Coverage Choices

Original Medicare

Then Medicare pays 80%, you pay 20%

Medicare
Supplement
Insurance
(Medigap).
Must have
Part A & B

Part D

Prescription
Drug Plan. Can
have Part A
and/or Part B

You must continue to pay your Part B premium to

Original Medicare

You can bundle your benefits together, much like regular heath insurance in a

Medicare Advantage Plan

HMO or PPO Part C

Combines Part A & Part B and usually Part D

Low or no Premium Plans

Often adds coverage for Dental, Vision and Hearing Aids
